# Limwel Ren Yane

## Junior Frontend Developer

Misamis Oriental 9020, Philippines
**Phone:** +63 939-886-6823
**Email:** limwelyane@gmail.com
**GitHub:** github.com/limwelyane-dev
**LinkedIn:** www.linked.com/in/limwel06profile
**Portfolio:** https://limwelyane-dev.github.io/Portfolio/

### PROFESSIONAL SUMMARY

**Junior Frontend Developer** with hands-on experience building responsive and interactive web applications through personal projects. Skilled in JavaScript and React, with experience creating reusable components, consuming REST APIs, implementing responsive layouts, and developing modern user interfaces. Familiar with Tailwind CSS, Vite, Git, and animation libraries, with a strong focus on writing clean, reusable, and maintainable frontend code.

### TECHNICAL SKILLS

**Languages:** JavaScript, HTML5, CSS3
**Frontend:** React, JSX, React Hooks, Responsive Web Design
**Styling & UI:** Tailwind CSS, CSS, UI Animation
**APIs & Development:** REST APIs, Fetch API, Component-Based Development, State Management
**Tools & Libraries:** Vite, Git, GitHub, Motion/Framer Motion, Lucide React

### SELECTED PROJECTS

**Shanelle Crochet — E-Commerce Website**
*React* | *JavaScript* | *Tailwind CSS* | *Motion*

- Developed a responsive e-commerce website with product browsing, search, shopping cart, checkout, and order management features.
- Built reusable React components and managed application state for cart and checkout functionality.
- Implemented responsive UI and interactive animations using Tailwind CSS and Motion.

Live Demo: https://limwelyane-dev.github.io/shanelleCrochet/

**Ferrari Automotive Landing Page**
*React* | *JavaScript* | *Tailwind CSS* | *Motion*

- Developed a responsive automotive landing page featuring vehicle information, specifications, and interactive sections.
- Implemented scroll-based animations, transitions, and interactive UI elements using Motion.
- Built a responsive layout optimized for desktop and mobile devices.
